<p>Pen Portrait:</p> <p>My name is Laura Foster and I moved from London to North Yorkshire six years ago. I started my education in a very busy inner city school and as a result this has made me appreciate what we have here at Egton C of E Primary School in terms of location, classroom size and general sense of community and care. I have three boys, my son Kit is currently in reception, soon to be followed by Sonny and then Ned. I have worked previously in the charity sector/non-profit, predominately with stray/unwanted dogs and in humane education, focusing on the links between domestic violence, child abuse and animal cruelty. This is my first role as a Governor and I'm finding the work extremely rewarding.</p>
