Dear Parent,

As you are aware North Yorkshire Police liaise with the School and deliver talks to the children regarding staying safe. There have been numerous topics covered over the years and this year there is a dedicated package being delivered to Year5/6 pupils addressing staying safe online. The local Police Community Support Officers will be presenting a Child Exploitation and Online Protection (CEOP) session before the end of term and as the subject also has implications for home the PCSO's are keen that parents can see for themselves:

- **What the risks are for children online?**
- **What you can do to protect your child?**
- **Where can you go if you are concerned?**

Therefore, a parent's presentation will be given after the children's presentation for those parents able to attend. This will take place on **Thursday 16th June 2016 10.30am At St Hedda's RC School, Egton Bridge** for the parents of St Hedda's and Egton CE School. Parents of children from **all year groups** are welcome to attend. The presentation is anticipated to take 30 minutes and will involve showing you some of the material the children will see and a Q and A session.

To help give an indication of numbers please could you complete the slip below.

Thank you.
