Pen Portrait:  My name is Roger Everitt. I am married to Eva and we have two grown up children. Until mid December we lived at Moonwind (next to school), where we moved in 1999. We are now living in Sleights. On leaving school I joined BT and had a thirty year career spanning Finance, Data Processing and Project Management. When I left BT, I worked on a number of projects for British Gas and Transco in the Gas Industry. Until November 2015 I worked part time as a Coach Driver. I have been a school governor for more than 30 years – starting in a special school in Sutton Coldfield, and for the last 15years at Egton. I regard it as a privilege to be a school governor, and I am immensely proud of what we do at Egton School.
