

PARENTS' QUESTIONNAIRE
Egton CE Primary School – Leavers 2017

5 out of 7 forms returned

Please tick as appropriate

	Yes	No	Comments
Has your child been generally happy at this school?	100 %		Very happy Enjoyed her time here, since moving here she has never stopped smiling
Have you been satisfied with what the school provides for your child?	100 %		Well supported
Have you felt welcome in the school?	80%		Most of the time The school staff and parents are very friendly Yes we are frequent visitors

Please make any comments about your child's development, progress and experiences whilst at this school.

X has enjoyed her time at Egton School. She has loved working with the teachers who were very helpful

We feel that X has been encouraged and supported to reach his full potential whilst at Egton School .
Despite his challenges you have prepared him well for the next steps in his education.

Very pleased with her progress and proud of her achievement

X has loved all the sporting events the school takes part in. X has made great progress academically particularly in Y5/6. Peat Rigg was not a good experience for X please don't assume that being away from home for four nights at age 10/11 will be a good thing for all children

Have you had any concerns about your child's behaviour?

No

Thank you for taking the children to all the sporting events in Whitby – not all primaries do this and our kids have really benefitted from them. Thank you.

Please list any other ways in which you feel that the school could be improved (bearing cost in mind!) together with any other comments you wish to make. Thank you

Limit the intake of children – The playground we feel is at full capacity with the current number of children. Please don't lose the small village school atmosphere by taking in too many out of catchment children. Also upstairs classroom only small if numbers get any bigger it will be very cramped in the future. Just our opinion.

No other comments made.
