Dear Parents,

We are delighted to be able to present you with your copy of a letter that we have received today, detailing our recent OFSTED inspection.

The inspection that has recently been undertaken was a Section 8, short (one day) inspection. This means that rather than a full report, as you may be used to from our previous inspections, a letter to the headteacher is generated. This details a summary of the main findings for you.

If you would like to discuss any aspect of this letter and the inspector's findings further, we would be pleased to talk to you. Please call the school office or pop in to make an appointment.

We are very appreciative of parents' overwhelming support for school and we can continue to be very proud of our school, staff and children.

Have a lovely weekend.

Best wishes,

Liz Orland
Headteacher
