Newsletter Friday 10th July 2026

Dear Parents and Carers,

It's been another hot week and once again the children have coped very well. We had an exciting start to the week with our Year 6 children enjoying a few transition days at their new secondary schools. They had a great time and are looking forward to starting a new chapter in their school life in September. At Danby all our Year groups moved up a year for the morning on Tuesday and the afternoon on Wednesday so that they could see how things will work in September. We also welcomed our new September starters who were amazing and settled instantly. Well done everyone!

KS2 Flamingo Land Zoo Trip

On Monday, the junior children had an exciting educational visit to Flamingo Land Zoo in Pickering. During the day they had a tour of the zoo and also took part in a workshop about Enclosure and Care at the Zoo. This entailed teaching them how the keepers look after the animals to make sure that they are well looked after and remain fit and healthy. During the tour we saw some amazing animals such as Lions, Rhinos, Giraffes, Zebras, Lions and Monkeys. A great day was had by all and was finished off with a delicious ice lolly courtesy of FODS. Thank you!

Danby Young Players

On Friday morning, we had a special visit from Lizzie Jeeves to talk to the junior children about the Danby Young Players group that is starting in September in Danby Village Hall. If your child would like to sign up for these classes, [please click here](#) for details of how to do that. The group is for children aged 8+.

Swimming

The whole school will be swimming at Whitby Leisure Centre on Thursday afternoon. Please can everyone remember their swimming kits. Thank you.

Junior Summer Reading Challenge - Mobile Library

A reminder that if any junior children would like to take part in the Summer Reading Challenge at the mobile library, all you need to do is let school know that your child wishes to take part by **Tuesday 14th July. They will then be signed up and will pick 6 books to read over the summer when they visit the mobile library on **Thursday 16th July**. When they return to school in September, we will collect the books back in by letting you know when the Mobile Library will be visiting. Just bring the books back to school and we will do the rest.**

We will be visiting the mobile library on Thursday 16th July at Danby Village Hall so if you could sign up before then please, that would be greatly appreciated. Many thanks.

School Dinners next week

There is a slight change to the school dinner menu next week. The Year 6 children have chosen Roast Chicken, roast potatoes, yorkshire puddings and veg for their leavers lunch on Thursday. Therefore, lasagne will be served on Wednesday instead. The menu is as follows:

The information below has not changed but is still relevant.

Safeguarding Children Telephone Number

If you have a safeguarding concern about a child, please note that from the 1st April 2023, the main customer service line for the new North Yorkshire Council will be changing. The new number will be **0300 131 2 131** and will replace the old 01609 780780 number. This will mean that all contacts for referrals for children within North Yorkshire need to go through the 0300 131 2 131 number. **This includes any contacts out of hours for the Emergency Duty Team.**

The contact number for the professionals line will remain the same 01609 535070.

The updated details regarding making a referral for a child in North Yorkshire have been updated on our website (www.safeguardingchildren.co.uk/about-us/worried-about-a-child).

Adverse weather conditions

Just a reminder that this week we sent out a reminder of our school policy in the event of adverse weather conditions. We are also asking that everyone completes a 'Safe place' form so that we have an alternative place logged for your child to go to should the school need to close during the school day. Please complete this form and return to the school office as soon as possible.

Mobile Phones, Smart Watches and Devices

Mobile phone and smart watch technology has advanced significantly over the last few years and continues to evolve. Many phones and smart watches now offer internet and e-mail access, alongside standard functions of messaging, tracking, camera, video and sound recording. We are also seeing an increase in Smartwatch 'look-alikes' which have games and activities on which are proving a distraction to learning and are time consuming for teaching staff to monitor.

Smartwatches and Smart-Watch lookalikes are therefore **not permitted** to be worn to school in line with the recent change in Government guidelines.

However, in line with our passion for helping children to tell the time, a standard analogue or digital wrist watch may be worn. If you are unsure whether your child's watch is appropriate, you are welcome to check in with a member of staff.

Smart Watches and devices that are brought to school for any reason will be kept safely until the end of the school day.

For a reminder of our school uniform please see our website page [here](#)

My Happy Mind

Just a reminder that you are able to access the [Parent App](#).

The children's engagement in our My Happy Mind project has been a huge success in school so far. Accessing the Parent App would help to reinforce the strategies taught in school at home and strengthen the positive habits that we are trying to encourage in our children.

Fostering North Yorkshire - recruitment campaign

Fostering North Yorkshire is proud to be part of a national campaign to recruit more foster carers, marked by the release of 'The Run', a powerful short film about Tom, an 11-year-old boy whose life begins to change with the care of a foster family.

Right now, we urgently need more foster carers across North Yorkshire, and we hope this film will be the spark that encourages someone to take that first step. Watch the short film and learn how you can make a difference.

'Pharmacy First' availability for minor illness / ailments in children

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).

To find a local pharmacy to you visit the [NHS website](#)
