### **Newsletter Friday 12th December 2025**

Dear Parents and Carers,

#### **Christmas Theatre Trip**

We all had a fantastic day at the Stephen Joseph Theatre on Monday watching this year's Christmas performance, Sleeping Beauty with our friends from Egton School. Thank you to the Friends of Danby School for funding this annual tradition.

#### **Christmas Craft Day & Christmas Tree Festival**

Today the children have been very busy making lots of lovely Christmas crafts in school. A small group of children also went to Danby Chapel this afternoon to put up and decorate a special Danby School Christmas Tree for the Christmas Tree Festival. All the decorations have been hand made in school by both the infants and juniors. I think you'll agree that the tree looks fabulous! If you are free tomorrow between 10.00am and 4.00pm, go along and have a look at the selection of trees that have all been decorated by local organisations. It was lovely last year and well worth a visit if you are free. Refreshments will be served all day and there will be a children's activity table.

### **'Pharmacy First' availability for minor illness / ailments in children**

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).
