### **Newsletter Friday 26th June 2026**

Dear Parents and Carers,

Wow, it's been a hot one this week at school but the children have coped very well with no fuss at all. Thank you to parents who have been brilliant in sending in suncream, extra drinks and fans!

We have been asked to share the following information with you from North Yorkshire Fire & Rescue Service:

[Keeping Children Safe Around Water](#)- focuses on helping parents and carers speak to children about staying safe around water, highlighting key risks such as cold water shock and providing simple, potentially life-saving advice like "float to live."

Following the success of the recent Danby Players performance of 'Annie get your Gun', there is a newly formed 'Danby Young Players' group commencing in September 2026. The group is being run by Lizzie Jeeves (who played the lead role of 'Annie' in the last show), who is a musical theatre and drama teacher with a particular passion for nurturing young, local talent. [More details of how to sign up can be found here.](#)

### **Year 1 2 Quadkids**

Last Friday afternoon, children in Years 1 and 2 took part in a Quadkids event at Whitby School along with lots of other local Primary Schools. I'm delighted to say that they finished in third place/Bronze! What an achievement and we are very proud of them all.

Congratulations to Airy Hill who finished in First/Gold and Lealhom who finished in Second/Silver. It was a fantastic event.

### **KS2 Game of Actual Life**

On Wednesday, the Juniors had a very exciting day taking part in a number of workshops based on a program called 'The Game of Actual Life'. This was delivered by Mrs Carson, a teacher who specialises in delivering the programme. The activities were designed to explore situations in a real life environment. The children had the opportunity to discuss their thoughts and feelings about life experiences and situations.

They spent the day being 42 year old adults! The day started by deciding on a career/job they would like to do. They had to choose a job that was in a caring profession such as owning a charity shop, teacher, doctor, lifeguard and police officer. They were given a budget (all had the same amount regardless of job) and they had to decide how to spend it. This included buying a house, paying bills such as council

tax, electricity and water bills. They also learnt how to make a campaign about road safety, better school dinners or children's facilities. The children rose to the challenge and Mrs Carson was very impressed with their enthusiasm. Well done Juniors!

### **Y6 Transition Middle Esk Moor**

A huge thank you to Rev Anthony and Rev Sam and the Team Transition Volunteers from Middle ESK Moor Benefice for a fabulous morning earlier in the week of Y6 team building with our local village schools. Some brilliant activities, helping to forge new friendships and develop leadership skills. We had a lovely lunch too! Well done to everyone who took part and made this event happen!

### **Whole School Photo Orders BY MONDAY 5TH JULY PLEASE**

Yesterday, the children brought home copies of their class photo and a whole school photo which were taken earlier this week. Please can any orders be brought back into school by no later than Monday 5th July. Please note, there is now an option to order directly online via the QR scan code and reference provided on the photo prints.

### **FODS News**

#### **Summer Fair**

What a lovely afternoon we had at the FODS Summer Fair on Saturday afternoon. The children's fiver challenge stalls were wonderful and thank you to the FODS team and helpers for all their hard work in organising the event. I am delighted to say that a grand total of £302.90 was raised for FODS funds! Thank you to everyone for your support.

#### **Colour Run**

The Colour Run raised a fantastic total of £418.30! Amazingly, £222 of this total was raised by sponsorship from individual Danby School children. Well done to all and thank you.

#### **The Great Summer Duck Hunt for 2026.**

£3.00 per child to take part. starting on 29th June 2026 until 17th July 2026.

This is a 3 week long event running in the background where 200 mini resin ducks will be hidden around the school, inside and outside, every week for the last 3 weeks of term (yes there's only 3 weeks left of this school year!!) for the children to find. The ducks will not be hidden in either the infants room or juniors room so as to not distract them during teaching time. Each child who would like to take part will have the chance to hunt for the ducks and when they find one they need to hand it to a teacher who will keep a tally of the number of ducks each child has found. The child with the most ducks on the last day of term will win a duck-related prize. Each child will get to keep a souvenir resin duck for taking part as well.

To take part please fill in this [Google Form](#).

Payments can be made by cash (there is a purple collection box in the school office) or via bank transfer to:

Name: Danby School Parents Teachers and Friends Association

Bank: Natwest

Sort Code: 53-50-15

Account Number: 12598666

### **Safeguarding Children Telephone Number**

If you have a safeguarding concern about a child, please note that from the 1st April 2023, the main customer service line for the new North Yorkshire Council will be changing. The new number will be **0300 131 2 131** and will replace the old 01609 780780 number. This will mean that all contacts for referrals for children within North Yorkshire need to go through the 0300 131 2 131 number. **This includes any contacts out of hours for the Emergency Duty Team.**

The contact number for the professionals line will remain the same 01609 535070.

The updated details regarding making a referral for a child in North Yorkshire have been updated on our website ([www.safeguardingchildren.co.uk/about-us/worried-about-a-child](http://www.safeguardingchildren.co.uk/about-us/worried-about-a-child)).

### **Adverse weather conditions**

Just a reminder that this week we sent out a reminder of our school policy in the event of adverse weather conditions. We are also asking that everyone completes a 'Safe place' form so that we have an alternative place logged for your child to go to should the school need to close during the school day. Please complete this form and return to the school office as soon as possible.

We have been asked to share the following link with you from the North Yorkshire Children and Families Service:

### **Mobile Phones, Smart Watches and Devices**

Mobile phone and smart watch technology has advanced significantly over the last few years and continues to evolve. Many phones and smart watches now offer internet and e-mail access, alongside standard functions of messaging, tracking, camera, video and sound recording. We are also seeing an increase in Smartwatch 'look-alikes' which have games and activities on which are proving a distraction to learning and are time consuming for teaching staff to monitor.

**Smartwatches and Smart-Watch lookalikes** are therefore **not permitted** to be worn to school in line with the recent change in Government guidelines.

However, in line with our passion for helping children to tell the time, a standard analogue or digital wrist watch may be worn. If you are unsure whether your child's watch is appropriate, you are welcome to check in with a member of staff.

Smart Watches and devices that are brought to school for any reason will be kept safely until the end of the school day.

For a reminder of our school uniform please see our website page [here](#)

### **My Happy Mind**

Just a reminder that you are able to access the [Parent App](#).

The children's engagement in our My Happy Mind project has been a huge success in school so far. Accessing the Parent App would help to reinforce the strategies taught in school at home and strengthen the positive habits that we are trying to encourage in our children.

### **'Pharmacy First' availability for minor illness / ailments in children**

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)
- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).

To find a local pharmacy to you visit the [NHS website](#)

There's further information about what pharmacies can do at [Let's Get Better](#)
