### **Newsletter Friday 30th January 2026**

Dear Parents and Carers,

## **Part of the National Year of Reading 2026**

**GO  
ALL  
IN.**

Next week will see the start to our National Year of Reading, Kicking off with National Storytelling Week. All classes this week will be taking part in some online reading workshops and will be visited by a special 'Guest Reader'! In addition to this, we will be hosting a 'Bedtime Story Day' on Wednesday 4th February, where children will be invited to come to school in their pyjamas, bring in a teddy and a story to read and share. We'll take time during our 'Bedtime Story Day' to share our stories by the fireplace with our class and with the other class in school.

In our Library, there is a display for book lending/borrowing. If your child wants to read a book that we don't have, feel free to pop their name and the book title up and see if anyone else has it to lend! Your children are also invited to bring in any books they are enjoying at home to show and tell at school.

We will of course be hosting some other exciting reading events throughout the rest of the school year, so keep your eyes out for them.

If anyone would be interested in becoming a 'guest reader' or would like to volunteer some time in school to be a Community Reader, please get in touch through the admin email!

### **'Pharmacy First' availability for minor illness / ailments in children**

Parents and carers in Humber and North Yorkshire are being reminded to use their local community pharmacy this summer, if their child needs help with minor illnesses or ailments.

The NHS 'Pharmacy First' service allows children to access treatment for five common conditions from their local pharmacy, without needing a GP appointment.

Children can receive NHS treatment, including antibiotics where appropriate, for five common conditions including:

- impetigo (aged one year and over)
- infected insect bites (aged one year and over)
- earache (aged one to 17 years)
- sore throat (aged five years and over)
- sinusitis (aged 12 years and over).
- The aim of Pharmacy First is to make it easier for people to get the help they need and free up millions of GP slots.

Parents can simply walk into a participating pharmacy and request a consultation for their child. If further treatment is needed, pharmacy teams will signpost families to the most appropriate local health service.

Hayley Patterson, NHS Humber and North Yorkshire ICB's Pharmacy Lead, said: "As the school holidays approach, we are encouraging parents and carers to think 'Pharmacy First' if their child is unwell, allowing them to be seen quickly and conveniently at their local pharmacy.

"The scheme enables community pharmacists, who are trained health professionals, to supply prescription-only medicines, where clinically appropriate, to treat five health conditions for children which would previously have required a GP appointment."

The Pharmacy First scheme is also available for adults and covers the following seven common conditions:

- sinusitis (adults and children aged 12 years and over)
- sore throat (adults and children aged five years and over)
- earache (children and young adults aged one to 17 years)
- infected insect bite (adults and children aged one year and over)
- impetigo (adults and children aged one year and over)

- shingles (adults aged 18 years and over)
- uncomplicated urinary tract infection (women aged 16 to 64 years).
