KEY KNOWLEDGE

Christians believe God the Creator cares for the creation, including human beings.

As human beings are part of God's good creation, they do best when they listen to God.

The Bible shows that God wants to help people to be close to him - he keeps his relationship with them, gives them guidelines on good ways to live.

Christians believe God made our wonderful world and we should look after it.

- Describe what Christians do because they believe God is Creator (e.g. follow God, wonder at how amazing God's creation is; care for the Earth - some specific ways)
- Describe how and why Christians might pray to God, say sorry and ask for forgiveness.

Make connections:

- Ask questions and suggest answers about what might be important in the Creation story for Christians and for non-Christians living today.
